THE COMPANY'S QUALITY & ENVIRONMENTAL POLICY

(ISO 9001:2008 Clause 5.3.)

(ISO 14001:2004: Clause 4.2.)

<<This Policy is updated & available to the public and accessible through our website www.sinotranship.com>>

The Policy of **SINOTRANS SHIPPING LIMITED (SSL)** is to provide all Clients with Services that consistently exceed their expectations in relation to Quality Reliability, Client Service and Environmental Responsibilities. **SSL** is totally committed to achieving the highest Management Standards with particular emphasis placed upon quality and protection of the environment.

The commitment to Quality and the Environment includes the provision of efficient working practices. **SSL** is committed to enhancing Client requirements and the continual improvement and effectiveness of its Quality and Environmental Fully Integrated Management System.

This Policy is appropriate for the purposes of **SSL** and provides the framework for establishing objectives which are then reviewed. There is a constant drive to satisfy our Clients, while always complying with National/International Legislation, Statutory/Regulatory requirements (i.e.: Legal requirements), for our Employees and the broader community. This involves encouraging the active participation, endeavour and contribution of ideas from all personnel.

These high standards of work will be achieved by operating a Quality and Environmental Fully Integrated Management System that meets the requirements of the International Quality Assurance Standard ISO 9001:2008 and Environmental Standard ISO 14001:2004.

The Quality and Environmental Fully Integrated Management System will allow **SSL** to control and monitor risks and verify adherence to performance standards. Compliance with this Policy, Objectives and associated Procedures is mandatory and binding upon all Employees. Quality and the Protection of the Environment is the responsibility of everyone working for and on behalf of **SSL**. This Policy is communicated and understood within **SSL** and is available to the Public and will be reviewed for continuing suitability and relevance.
